

Aussie Bronze Australian Sunless Blend

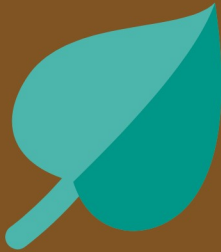

by Tampa Bay Tan

Dark Warm Bronzer

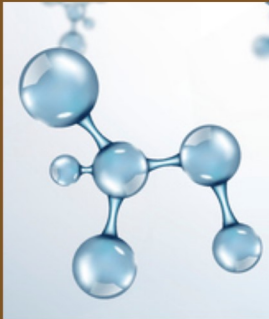

Warm tone Deep Rich Brown bronzer, intensifies sunless color, with tropical accents

Natural Base

Soy, paraben and gluten free, vegan friendly and dermatologist tested. Organic and natural ingredients in every bottle.

Odor Capture Technology

Encapsulates odors, rather than just masking DHA developmental scent. Helps to both capture and neutralize odor causing molecules as they are formed.

Skin Magic

Moisturizing Aloe Vera, Australian Plant Extracts and oils, to nurture skin.

Warmer rich tones, work well on many skintypes.

Dark, and thicker blend, apply lightly on fair skin

Thick texture, warm tone blend, Moisturizing lotion like feel for lush skin feel

Skin plumping effect to help firm skin

Bronzer image is representative, only. Color may vary on your skin based on your skin type, tone, and attributes. Monitor or printer color may vary based on lighting, inks, paper and printer type.
